

Integrate Breadcrumb / Upserve

Last Modified on 12/24/2023 2:46 pm MST

We'll set your company up for you!

Employees / Roles / Wages / Dayparts / Sales History / Real-Time Sale Sync / Real-Time End-to-End Gratuities-to-Payroll

We'll contact you within 48 hours to confirm company setup, and guide you through use of integration of your POS with scheduling, clock-in, and labor analytics

To integrate your system, please follow these steps

1. From you Breadcrumb HQ, go to **Settings > Integration Partners**
2. Click on the "**Add a new API Partner**" button, and Select **Dolce** from the dropdown (Teamwork was formerly called Dolce Software)

3. Email the Username & Password to: teamworksupport@spoton.com

Integrations Setup

API Credentials 1 credential

Username	Password
api@ example.com	password

Copy and paste the username and password combination.
Email these credentials to your API software provider to connect your account.
Please email support if you need to disable an API connection.
