## **Trial Expiration**

We know things can slip through the cracks. If your trial expires, and there is still not a payment method associated with the applicable paygroup, Teamwork will not prevent you from accessing your account. The system **will** prevent:

- 1. The publication of schedules within the affected paygroups
- 2. Running a payroll report for the affected paygroups

And you will be presented with the following message, and a link to the Payments / Billing page.

A Payment Method is not Setup for the Payroll Group ' Restaurant Group'. Please setup a Payment Method before continuing. Click Here to Setup a Payment Method
