Select All

Cafe - Palo Alto

Cafe - Fremont

Bill's Cafe - Kooser Road ⓘ

Bill's Cafe - Pleasanton ⓘ

Bill's Café - The Alameda ⓘ

Close **Apply**

What is Toast Partner Connect?

Toast Partner Connect is our integration management portal. You're able to browse and discover all partners with integrations to Toast, add any of these integrations to your restaurant with the click of a button, and more. **This feature is currently available for restaurants with 1-9 locations. If you have more than 9 locations, [read below](#) for information on setting up integrations with Toast.**

Does it Cost Anything?

In order to use most Toast API integrations, Toast Customers need to pay \$25 per month per location for the Toast Partner Integration subscription. This subscription unlocks unlimited access to our Integration Marketplace, 50+ best-in-class restaurant technology solutions that can integrate directly with your Toast POS. Your subscription fee remains flat whether you add one or fifty integrations.

Can Anyone Add Integrations?

While anyone can see the Partner Connect Portal, you must have the **Manage Integrations** permission in order to add the Integrations module or connect to Partners.

Account Admin	Inherit	Override	✓
Financial Accounts	Inherit	Override	✓
User Permissions	Inherit	Override	✓
Data Export Config	Inherit	Override	✓
Manage Integrations ¹	Inherit	Override	✓

Activating the Partner Connect Portal

To activate the Partner Connect Portal and start adding Integrations to Toast:

1. On Toast's back-end, scroll down to Integrations and select **My Integrations**

2. Select **Join Toast Partner Connect**.

Have questions before signing up? See a small FAQ listed under the join button.

4. Confirm the location that you're adding Toast Partner Connect to and check the box ***am the financial representative for this location***

Home / Partnerships / My Integrations / Add Integration

Add Toast Partner Connect

You are about to request the addition of Toast Partner Connect for the following location:

- Broth Training Cafe
801 Park Drive
Boston, MA 02115

By clicking submit, you confirm you are the financial representative authorized to submit this request

I am the financial representative for this location.

5. Select ***Submit***

6. The finance contact on Toast's file will receive a Toast Order form via email within 48 hours. Once this form is filled out and returned, Toast Partner connect will be ready to go!

Managing Integrations in the Partner Connect Portal

Once your Partner Integration subscription has been confirmed, the My Integrations page will look a little different.
